 Warehouse Star

Order Picking

Web & Mobile App

Eliminate the most common reasons for complaints: With the **Order Picking** app, you ensure the quality of your picked deliveries while simultaneously accelerating the picking process.

Your Benefits

- **Error Avoidance:** Our app provides reliable support to your warehouse staff, minimizing errors.
- **Time Savings:** The app guides your employees directly to the right storage location, saving valuable time and optimizing the picking process.
- **First In, First Out:** Thanks to intelligent batch management, you ensure that older goods are picked first.
- **Real-time Retrieval:** Picked goods are immediately re-booked, allowing you to always keep track.
- **Seamless Integration:** Utilize the benefits of the integrated Bitergo Warehouse Management Solution and access other apps such as Corrections, Packaging and Outgoing Goods.

Order Picking Web & Mobile App

Functions and Features

Discover how Order Picking revolutionizes your warehouse processes:

Overview of Deliveries:

Get a clear overview of all necessary picking orders when starting the app.

Manual Order Creation:

Easily create new deliveries and add all relevant information.

Precise Management of Delivery Positions:

Select items, define quantities, and specify batches, serial numbers and expiration dates.

On-site Picking:

Your warehouse staff receives all relevant information about the orders directly on their mobile device.

The image displays the Warehouse Star application interface, which is used for order picking in a warehouse. It features a mobile app view and a web browser view.

Mobile App View (Left): Shows a picklist for order KOMMI-00000001. The screen displays the handling unit (F1-016-1), item (000010), and order quantity (1 Stk). The status is 'Pending' and the quantity is 1 Stk. The bin location is F1-016-1. The item description is 'Shampoo Classic, Pack of 2 (2 x 300 ml)'. The app has buttons for 'WITHDRAWN', 'ALTERNATE WITHDRAWAL', and 'CANCEL'.

Web Browser View (Right): Shows the 'Picklist/Shipments/Shipments lines edit' screen. It displays a list of items with columns for 'Number', 'Quantity type', and 'Desc.'. The list includes items like 'BLEND-A-DENT Cleaning', 'BLEND-A-DENT Super Ad', 'BLEND-A-MED Classic Du', 'Oral-B Toothwash Sensitiv', 'BRAUN IRT Compact 302f', 'Pampers Baby Dry Size 4 l', 'Pampers Sensitive Wet WI', 'Pampers Sensitive Wet WI', 'Pampers Baby Nappies, L', 'Head & Shoulders Shampo', 'Head & Shoulders Anti-Dar', 'Gillette Retro-storagebox f', 'Wella Professionals Finish', 'Ariel Regular Color and St', 'Ariel Professional Color liq', 'Lancor Energy Clear Blue, F', 'Duracell DUR019058 Plus', 'Duracell DUR019201 Plus', 'Swiffer Dust Magnet Starte', 'Swiffer Dry Wipes 18 Items', and 'Swiffer Wet Wipes Refill Pz'.

The web view also shows a 'Picklist' modal with fields for 'Description', 'Note', 'Destination', and 'Reservation'. The 'Reservation' field is set to 'FIFO with unpack' and 'Auto. replenishment' is checked. The modal has 'Ok' and 'Cancel' buttons.

The web view also shows a 'Shipment lines' table with columns for 'Nr.', 'Item master data', 'Ordered quantity', and 'Shipped quantity'. The table has two rows: Row 1 (Nr. 1, Item master data 000010, Ordered quantity 1 PCE, Shipped quantity 0 PCE) and Row 2 (Nr. 2, Item master data 000011, Ordered quantity 2 PCE, Shipped quantity 0 PCE).

The web view also shows a 'Text/label' section with fields for 'Order', 'Type', 'Tenant', 'Description', 'Note', and 'Classification(s)'. The 'Status/time' section shows 'Status: Pending', 'Creation date: 21/03/23 08:17', 'Expires: [checkbox]', 'Priority', 'Position Count: 2', 'Modification date: 21/03/23 08:17', 'Date of shipment', and 'Estimated delivery date: time'. The 'Party/measure' section shows 'Freight carrier', 'Consignor', 'Gross weight', and 'Net weight'. The 'Consignee' section shows 'Consignee'.

The web view also shows a 'Current shipment' field with the value 'LIEFER-00000007' and a 'Load' button.

The web view also shows a 'Connection:' field with the value 'Copyright © 2022 Braigo GmbH'.
