

 Warehouse Star

Outgoing Goods

Web & Mobile App

No backlog in goods dispatch: Goods can leave the warehouse on time, as the required documentation is swiftly and flexibly handled with the **Outgoing Goods** app.

Your Benefits

- **Reliably record outgoing goods:** Your warehouse staff process goods dispatch quickly with the app.
- **Generating delivery notes:** All necessary data is readily available in the system! For swiftly generating delivery notes with the app.
- **Documentation without loss of time:** Comprehensive documentation of all goods dispatches without delay in transport.
- **Smooth redistribution of goods:** Don't keep other locations waiting and ensure a seamless flow in the Distribution Structure (BOD).
- **Seamless integration:** Utilize the benefits of the integrated Bitergo Warehouse Management Solution and access other apps such as Shipping and Packaging.
